# SPONSORSHIP OPPORTUNITY

## SPONSORSHIP OPPORTUNITY DETAILS:

In 2021, the Kentucky Department of Fish and Wildlife Resources (KDFWR) regulated game species for 350,000 hunters. Hunting is a huge part of our Kentucky heritage and it generates 1.5 billion dollars annually for our local economies. Our deer herd has grown to 1,000,000 animals and is one of the strongest in the country. Trophy quality animals can be harvested in any county in the state, thanks to the sound management practices of the KDFWR. A national spotlight has been placed upon the quality of the herd and animals that we continue to produce. The KDFWR is seeking sponsors to help further the message of hunting and our deer herd to the general public, as well highlight what an impact it has on our culture, economy, and residents.

## The Presenting Sponsor(s) shall Provide:

The Kentucky Department of Fish and Wildlife Resources (KDFWR) seeks financial and in-kind assistance for the Deer Program and to promote hunting and fishing seasons and other outdoor activities throughout the year.

There are three (3) sponsorship levels available for the Deer Program: Flagship Sponsor (2) 1 endemic and 1 non-endemic, Presenting Sponsor (4) and Affiliate Sponsor (8).

These Deer Program Sponsors will help RAISE AWARENESS, ENGAGE and ACHIEVE more interaction with the sportsmen and sportswomen of Kentucky. The promotions will be delivered via KDFWR's social media pages and website that are designed to inform, engage, and encourage participation by new and existing stakeholders in fishing, hunting and other wildlife-related recreation and conservation.
